“ *Hello, my name is Robert Hunter, I have been the log procurement manager for Shuqualak Lumber Company for the last 15years. Day in and day out we buy up to 100 loads of logs a day. Of all the log truck drivers we see Mr. Al (Sidekick) was one of the nicest most pleasant we ever met. He always had an awesome attitude and never was in too big of a hurry not to ask about family and just how we were doing. We will miss his smile and his favorite saying " I'll be right back with another load of these good logs!" everybody here at Shuqualak would like to express our deepest sympathy to his family and friends.*
