Alice was a TRUE friend. Always available to hear what I had to say and was so appreciative of every one who helped her in whatever way God had given the persons opportunity to serve. She was always ready and willing to give freely to those in need. Alice always had a smile even in the great pain she was in at times and in spite of her disabilities (that she did not consider disabilities). It was a privilege to be considered her friend. Will miss her greatly but so many memories to cherish. Her laugh and sense of humor.
