“ We are writing from Winnipeg, Manitoba, Canada. We remember Arlene well from our Native Assemblies and meetings in various indigenous communities across North America as well as our visits to your Choctaw communities and churches in Mississippi. When the meetings were held in the Lake Winnipeg community of Riverton in 2004, a tour travelled further north up the lake to Matheson Island and we took a ferry ride on the lake from there. It was a brand new experience for all of you who were there from the southern USA! Arlene was always so friendly and involved in what was happening.

*Family, may you feel God's arms of love surrounding you in the days and months to come as you remember your mother and grandmother and friend.*
