“ *I have been knowing Pete Fulton for over fifty years. We kept in touch through the years. He and his wife and family have been a blessing to me and my family. They welcomed us into their home when I was a young preacher boy. They were an inspiration to me and my family. It was my privilege to serve as their pastor for a while. They are the kind of church members a pastor needs. We will have a glorious time in heaven when we all get there. Sue, you and your kids will be in our prayers as you go through this time of sorrow. We love you very much.*

*Brother and Mrs. Thomas J. Ayo*

*PS Sue, If I were not a 24/7 caregiver, I would be there and cook you a Cajun seafood gumbo that would blister your gizzard.*
