“ *The angels have received one of the sweetest ladies around, I am blessed to have been her friend, as well as coworker at GBHS. I will forever remember when a problem would come up in Guidance, and you can only imagine how often that was...she would say “ don't worry about it, it is not blood or bones” and that would put the issue in perspective for us. Always willing to help others, and put herself last!*

Barbara will truly be missed by many, I know by me!
