“ *Billys' family were part of our neighborhood when we first moved to town. He was definitely part of the ongoing gang of over 42 kids that commanded these few blocks. We fought young but mellowed. He was a good guy and his southern charm and big smile will be missed! My prayers are with the family!*

“ Two weeks ago I took my 87 yr. old Mom to Forest to see Dr. Eason, I helped her in and then waited in the car. When I looked up I saw a man who was using a cane like my Mom does, helping her out the door to the car, it was Billy. Even though he was having trouble walking he helped her. He had that beautiful smile as always, I hugged him and we talked for a few min. we have always thought the world of Billy, this just shows what kind of man he was, putting others before himself!! God has truly gained an angel, Rest in Peace sweet man, you will be missed!!
