“ Joann and family, I pray Gods healing strength over you all. As we know, to be absent from the body is to be present with the Lord. Oh glory hallelujah . Bob was a special person. He loved to make people laugh and had a way of drawing others into his circle of joy. Comfort comes easier when we focus on eternity. We are not meant for this world. In a short time we will all be together again.

I shall cherish the wonderful memories of our devoted and lasting friendship over these many years.
