“ *Bobby was a very special person in my life. He was very dear to me. I will always have great memories of him. The love, kindness, and the joy he always had. The smile he always carried, I will always have that picture of that smile in my heart forever. He was a fighter i know because he always was. He was such a great person, a very dear friend. I will stop the Love I had for him. Bobby will surely be missed.*
