“ *She will be greatly missed by alot of people. She married older & had no children but , she was adopted by many as "their B.B", my daughter as i might mention as one. Always took em under her wing as if they were her own.....*

She definitely was a jewel of a lady, lived and practiced the faith of dedicating her whole life to God Almighty.

Her personality always stood solid as a smiling ,selfless friend whom was the very same regardless of place or time seen.

No doubt where her new address is : Brenda Vowell Fuller
