“ *Ms. Dorothy, Brenda, Glenda and Belinda:*

Just saw where Mr. Buddy passed away. I did not know until just now or I would have come by.

I am going to miss his laugh, messing with folks and the way he teased Ms. Dorothy. This world lost a good man but, he is at home. Praying for all ya'll.

Just the other day for some reason or another I was thinking of just how long I have known him and Ms. Dorothy, it came out to be almost 50 yrs.

He May be gone but he is not forgotton.

Love all ya'll

“ *Brenda, Glenda, and Belinda,*
My prayers are with you girls at this time. I wish I knew what words I could say to ease your pain. I guess I've known Mr. Buddy my whole life. He resided in the same community where my father was born, raised and lived his life prior to meeting and marrying mother. My fondest memory of him will be his participation in the WHOC early morning "trivia contest". My mother was also a devout participant and the 6 or 7 other participants. If another "regular" failed to phone in my mother would demand I call family members to ask about their well being and Mr. Buddy was one of the participants she'd want me to make sure he was okay. My father thought highly of Mr. Buddy too.

As you know, I lost Mom and Daddy 5 weeks apart around this time in 2014 and I still haven't gotten past my grief, I just live with it. You girls were devoted and loving children and deserve God's love and caring to get you through one of your greatest losses in life. I'll remember you in my prayers and I can Tell you this without a doubt, God will never give you more hurt and grief than you can bear. Remember the good times you shared and he'll be in your heart until you meet again.

My deepest condolences,
Patti Peebles
