Gram, This is Elijah again. I surely do miss you so much. Our family also do too. I hope you are happy and welcomed into the arms of your holy father. I love you and miss you a bunch. Hugs and kisses.

I guess it's time to respond again. It's been so long it's getting harder and harder to remember your voice, face, and most of all the love you gave me. Over the time I stayed to stay stronger. I'm now a father of a beautiful daughter, I sure do wish you was here to meet my shuwa baby. Lol. Until next time gram, I love you.
