“ *I have known Carl Ellis since high school. He was always the same nice, cooperative, congenial soul each and every time we met. For awhile, I and my wife lived near Carl at Bloomo. We talked and visited regularly. I was always glad to see him and enjoyed our conversations. My father was a friend of his father years ago. I really can't believe he's gone. We are the same age and I know we are kindred spirits. Hope to see you again someday Carl. Rest in the peace of true contentment! Jackie Long*
