“ *It is sad news to hear of Grandma Jean's passing. We will always remember how she was kind to our family, allowing Heather a place in her home and helping support her. It was clear that she was a great support to all of your family, and we know things will never be the same. We hope for the strength to hold you up, and the peace of knowing that she is in a happier place; we will all be thinking of you and keeping you in our prayers.*
