“ *When I was around 4 or 5 yrs old, Aunt Nell decided she was gonna teach me to sing. She had a song on a record & played it over and over for several days & we'd sing it together til I knew every word of it. The song was "Delta Dawn" by Tanya Tucker. It's still one of my favorites. I will never forget Aunt Nell & the time spent with her as long as I live. My thoughts are with the family. Sorry I couldn't be there for her service.*
