“ *Still in disbelief,
I offer my heartfelt sympathy for the loss of Charlie. Through the years Charlie put a roof over my head when I was in need, he fed when times were tough and he was an encourager as co worker and a confidant. Still, after finding my stability through the Lord's guidance, about 3 or 4 times a year Charlie would pull into my driveway with James and we would hang out and laugh about early days shenanigans. And the laughs will be missed most of all. Praying God's peace over all of the family members and friends that are grieving.*

Brother, thank you for being a friend to me when a friend was needed the most.
