“ *So sorry to learn today of Clif's passing, I appreciated his friendship and his good service at MSU. Clif was always quick to come when we had elevator problems & often even quicker to get them solved. He had great mechanic skills & used them well. He will be missed! Be assured of my continued prayers for his family.*

“ I have very fond memories of hanging out with my friend from high school. We partied like rock stars, and he took me to my first concert, Van Halen. We also traveled to Biloxi to see Van Halen together for a second time. We also went to ZZ Top and AC/DC together. Concert pals, we were. I find it ironic that Eddie Van Halen passed the same year as Cliff!!! I also remember blasting Van Halen on his car stereo while we shared good times. RIP my friend.
