Curtis, was a kind and good natured uncle who even though the past few yrs we didn't see much but I can always have the memories of visiting them from a young boy to a man. He never changed all the yrs that he was on this earth. I can remember as a kid going up there to his and my aunt's house and him taking us to see the little chickens he was raising. Him and Aunt made the perfect pair. I will always remember Curtis and some of his fishing stories. May God be with you Uncle and also the ones your leaving but we will all meet again .Love Mike Susan and Michael Sistrunk.
