“ My thoughts and prayers have been with you, Ms. Kattie, Brendon, Jason, and your family this last week and will continue in the days ahead. Dalton was such a sweet and kindhearted young man who always had a smile on his face for everyone. I enjoyed teaching both of your boys last year in 6th grade. 🙏🏻🙏🏻❤️👍👍

Love,

Denice Moore, NEMS

“ From Mrs. Gordon

On Thursday August 24,2023, Dalton was scheduled to take his first Math test but as a teacher sometimes we feel our students are not ready. So I asked Dalton to work on two other assignments. As he begin working, I stood by his desk. He was working with mix numbers where he had to turn them into improper fractions and do the math. This is difficult for students at first. In a week or two, I will show the students an easier way by turning the mixed numbers into decimals and then do the math. The only problem was it wasn't time yet. But this day as I was standing there, the Holy Spirit spoke to me and said, "Show him now" and I obeyed and showed him. He caught on immediately, finished both of his assignments, and asked if he could take his test.

I'm asking God for strength for the Stevens Family ask I reflect on Dalton because he finished his assignment that with a smile because he accomplished his assignment. Love, Mrs. Gordon

“ *I truly enjoyed having Dalton this year as a student. A memory that will stick with me forever was his response when asked how to simply a fraction. His excitement made me smile. Praying for you all daily.*

*Love always,
April Larkin, NEMS*
