“ *Danny Craig-what a great man. I had the privilege of working with Danny at Southeastern Freight Lines. We became very close friends, and he taught me numerous things about life, and brought out the best in me. Eventually we would seek other employment, but still in the same industry. We kept in contact, usually weekly. I was shocked to hear Monday night that Danny had gone to join Gay, but I am without a doubt, that he is with her, watching over all of us. There are so many that Danny had influenced. Danny may be gone, but will never be forgotten. Rest In Peace my brother, until we meet again.*
