I miss you my big brother. You are the example of what a good man is: A good husband, a good father, a good brother and a good friend. I will always miss you and carry your smile in my heart. Memories of when we were young and we had a rock band in the old barn, playing rag ball, football and chokfih tobah. You're with Mom and Dad now and at peace, but my tears still fall because I wanted to talk to you and drink coffee with you one more time. RIP Motto. 🙏❤️🙏😭
