“ *David Henry has pretty much been a part of my family since he was a young man. He and his family moved here from Macon many many years ago when my grandparents on the Burks side moved down. I was raised up being told by my great uncle and grandpa T.H. Burks he was my other uncle. Haha I worked many a days trying to keep up with him logging with my uncle. He will be missed dearly from family and friends and will always be remembered by me as part of the family. Go on up and give ole frankie B. a hard time for me David.*
