“ *Oh how i am missing my best friend right now! Yesterday, my granddaughter and I stopped to order some food for Debbie, I had taken her some on one of my visits, and she really enjoyed. Cabbage rolls from Carnells restaurant in Louisville. I placed the order, went to my car to wait and received a text from Gary that Debbie had just passed. My heart is broken! She will truly be missed by me. A best friend for at least 45 years. Im so sorry I didn't get to see her. Condolences to her children and grandchildren and to Gary for being the Best caregiver she could have asked for. May you rest in peace now, friend. You were the best!*
