“ In February, I had the opportunity to travel to Texas with Mrs Dina for a work conference. I am so thankful for that time. She was such a kind hearted person. She always wanted to make sure we said a prayer for thanks before each meal. We enjoyed getting to attend worship together one evening. Each day, she would always let me know which sessions she thought would best benefit her students. And on our way home, we had about a two hour wait at DFW airport. During this time she had her precious family in mind as she wanted to purchase a few souvenirs for them. She loved her family and was looking forward to getting back home. I will always cherish the treasure of knowing her. Praying for all her family during this time. Love you.
