He would ask us questions and have us read passages from it. Donavon loved to talk about his grandfather, Lloyd Clemons, he would tell us stories about him, that he was a Godly man; he wanted to be just like him. Donavon liked to hunt and fish with his friends. Sometimes he would take one of the girls with him just to see the excitement on their faces. They loved spending time with their dad! Donavon loved his family very much! He was a proud father to his "Girls" Camri, Chardonnae, Marlie, NitaOsi. He taught them to have respect for others and be the best that they can be. He wanted them to have the love for God that he had. Donavon loved his parents, Frankie and Verna, his sister, Wydinca. His companion for 7 years, Summer Rains.

Donavon loved to play stickball, his lucky number was 40. He also enjoyed playing softball and hanging out with his friends. He was an amazing person!!
