“ *I am so sad to learn of Donna's death. We were friends for many years when we both lived in Navarre, Fl. Donna was a very kind and giving person. She was a nurse and always helping others. She was fun to be around and always smiling. We had great times shopping and going to yard sales. I knew her mom and sisters. I enjoyed hearing the stories of her growing up years. She dearly loved her friends and people of Philadelphia. I am glad she got to return to her beloved home. I will never forget this wonderful person. RIP Donna. I love you.*
