PS

“ I went to school with Donna, we were friends for a time there but we grew up and we lost contact. We were all blessed to have lunch last yr (it seems like), a few old friends making time for one another and that was the last time I saw my friend. Rest easy Donna, you fought hard and deserve to be resting in the arms of Jesus. I pray for strength, peace and understanding for the family.

Donna was my friend and it's hard to believe she is gone. She always had a listening ear, was never judgmental and was quick with a joke. We didn't get to visit a lot, but we always talked on the phone, and when my child passed away, she was one of the people who came to my rescue. She never complained about being sick, and I fully expected her to get well. She loved her family so much and was so proud of them. I will miss you, until we meet again, my dear friend.
