“ I know we have awesome memory in high school. We been friends since middle school. You are true friend. You are kind, smart, nice, funny, generous, & good friend. You did make good joke & good laugh. We did graduate together since 2017. You always be there for me. You did teach me something new like riding buggy. Thanks for everything. Thank you for good memories. Rest in peace buddy. Hope we will meet again.
