“ *Mawmaw Jones - such a wonderful part of my childhood. You were always so sweet and patient - 5 kids is a lot to descend on you - much less all of your other grandkids as well - it surely would have tested the patience of Job! Yet you were always nice and never made us feel like we were in the way, or treated us any different than any other kid that was there - THAT MEANT SO MUCH TO US!!!! Thank you for the good food, your kindness, your hospitality - even through the years after Diane left us, and the many good memories of coming to your house so many times during our lives. I know your entire family will miss you so very much, but I'm sure you are happy in Heaven with God, and reunited with Diane and Buddy. I wish I could have come to your service and seen all of the family - but I hope they know you always were and always will be a special lady to the Burt Family. Rest in peace sweet lady! Love your bonus granddaughters, Lori - Julie - & Haley Burt.*
