“ *To Larry and Family,*

I'm so sorry for your mother and grandmother's passing! She was a very special lady with a big heart! We cry for us, but we know where she is. We will see them again! I pray you will all be comforted like God's word says, Blessed are the ones who mourn, for they shall be comforted. Matthew 5:4. I love all of you! Hugs and kisses!

“ We had some great times on the front porch at the fair, sitting up all night and going to bed at daylight. It was such a joy laughing and enjoying your stories. You will always be in my heart and I am going to miss you greatly.

This Beautiful woman shaped my life in ways I can not explain. Perfect mix of sweet and ornery. Words can not explain the love I have for her. I know she's only as far as my heart and memories. I will miss miss you until we meet again.

My precious, Aunt Edna. I will miss our calls and mini-visits when I come to Neshoba County. You've been a "special" joy to me through the years. You've been a part of my life that I treasure, and I will always have fond memories of you and Uncle Bernard and your family. Give hugs to all our dear ones, and I will see you soon!
