“ Great memories opening Silver Star and working 3 1/2 years with you. I always remember seeing you with a smile on your face and always in good spirits. Far too early for your time to go. Rest in peace friend.

“ *Hate to hear the loss of a very dear friend whom I cherished since the early 1970's. He always had a smile that would light up a room. He was always courteous and friendly. He never passed by me without speaking, joking or laughing with me. What a loss!!! May the good Lord continue to bless his family and give them the comfort needed in a time of sorrow. He will be missed greatly by all.*

May God bless his family and baby Jennifer, God be with her and hold her tightly for strength, comfort, guidance and ease her pain.
