“ I'm very sorry to hear about Ethan Bradley. It's very sad. Please remember Ethan is in heaven with Jesus and God walking streets of gold, visiting with people, and etc. I want to share a very sweet and a beautiful quote my uncle wrote before he passed away on September 29, 2012: "You will sense my presence - maybe a warm wind, an unusually blue sky day, a touch to your neck. You will know and I will continue to love you." Again, I want to tell you that I'm very sorry to hear about your loss. Try not to be sad; everything is going to be ok. We all love you and we will be praying for yall.
