“ *My deepest sympathies for the family. Ms Eva was a very kind, loving lady that loved her God and loved people. I've sat with Ms Eva most every night for the past 2 years, talking life, religion, and politics. I loved her as if she were my grandmother. I will miss her so very much. I'll always hear her say "goodnight and I love you" like she did every night when I left out of her room. I know she's in heaven and she was ready to be in her heavenly home. Prayers for the whole family during this difficult time.*
