“ *I don't believe I have any childhood memories that doesn't have you in it. I still remember the first time I ever got to meet you I was so excited to finally get 2 come up to the hospital and meet you then when we got up to the hospital they wasn't gonna let me come to the room cause I was only 3 and I started crying so they hid me under aunt shelly's dress and sneaked me in so I cause Meet my new baby cousin. You were always such a tomboy when we was growing up. I really miss you alot Fefe I couldn't believe it when I was finally told about you being taken away from us 😭😭 so I unfortunately wasnt able to attend your service and that has bothered me for yrs now and since we needed to leave for the storm that just hit I decided me and my youngest daughter Brandi would come up so Uncle Robbie could meet her and I was gonna come visit your grave and finally be able to feel closure You were the only cousin I got to grow up with I lost it when I was told you wasn't buried even though \$1,500 was donated for you to have a funeral and be buried Daniel had you cremated so I asked where your ashes were and got told that no one knows where they are I just don't understand how that's possible I'm so sorry "Sissy" I feel like you deserved to be laid to rest next to Aunt Faye so your family and children could have the ability to visit with you and pay respect whenever they feel like it. And I don't care how long it takes me I find out what was done with you I love you with all my heart cuz and you keep and eye on Mawmaw an pawpaw Duncan for me til I get to see y'all again you may gone but won't ever be forgotten*

“ Rest in peace Felicia. I can still c u at Max Beckham's house. He had promised your mother that he would watch out for you. But God had a different plan. First he took Max home, n since he was gone, he couldn't keep his promise. So God took u too. Now Max can keep an eye out for u. You will not be forgotten!

“ I am so very sorry for the death of your loved one. I grieve for the children who will have to grow up without their mother. God bless you all during this awful time. Only God knows why things work out as they do but He promised is He would "never leave us, never forsake us" and we can cling to that great and wonderful promise.
