“ *The residents in the Gardening with Ayla Program at Neshoba County Nursing Home have so many wonderful memories of Mr. Fred. He always made it clear to everyone that the only reason he was at our Garden Club meetings was to see Ayla our CCI canine companion. Mr. Fred's wife Ms. Jeanie was always present for club meetings and the first to participate in fundraisers and events we had. Many wonderful memories. We will all miss you greatly but know you are in a much better place. One thing for sure we know we have a special angel watching over our garden and us.
