“ *This earth lost a good man, been around him since I was 7 years old....never did I hear him say a cross word about anyone.....from the first day I met Uncle Jr , him and Aunt Mary treated me just like one of their own.. the only time I remember him even talking loud was when he had just finished putting hay in the loft of his barn and we straight up there scattering it everywhere(he didnt even make us get down just told us not to mess All of it up). My heart truly loved these 2 wonderful people..#My UncleJr&AuntMary....heaven received a great man.*
