“ Oh!! What an impact he made on my life!! He taught me much, much more than Chemistry—a life of grace and graciousness with a firm belief in God!! Example: instead of getting exasperated with me and calling me out for being stubborn (which was exactly how I was acting), he labeled me as a very determined person. The Lord used that one comment to convict me and change my stubborn heart and to remember that a gracious word can go much further than a harsh one. Well done, thou good and faithful servant, Mr. Myers!!
