“ Ms. Jean was in my life since I was a child. She was a funny, warm, sweet woman that had a smile that could light up the room. She had a knack for knowing what a person needed at that particular moment in time she saw them-and whether it was a hug, a joke, or just acceptance- I never felt anything but love from her and that is a truly rare and special thing. My condolences to her family and all her family of friends for our great loss. We love you, Ms. Jean. See you on the other side.

“ My memories are of much younger days. The short time spent in Brookhaven on Chickasaw St. I'll always remember the story of her gown for the Governor's Ball.... when he commented on it her reply was "Fred's! Four yards for a dollar!" I loved hearing her tell that story!

“ Jean was like a sister, we would decorate & place flowers in the church for each season when she was at Shiloh. Christmas was her favorite time of year, she loved decorating her house. She had her unique way of decorating. She could just put it together and make it look great! She will be missed by all. God has truly gained a special angel and she will have everything in heaven decorated to perfection.
