I am saddened to hear that you are gone. I've known you forever. Times when we all went trick-or-treating in town when we were little to when we grew up and went to high school together. I have fond memories of you and you are gone too soon, but at peace now. I pray for you and your family. RIP my friend.

Greg was a kind man who loved and took care of his family. I know they, as well as Tucker school, will miss him greatly.
