“ I first met Haimes when he was the Supply Sgt for 367th. He knew his job and how to get things done. He was a very slick guy; my husband worked with him when he was at Burrage trucking. Praying for the family. Haimes was so lucky to have Ms. Betty as his wife. Never met his daughter, I remember how proud Haimes was of Andy when he became an officer. I am sure he remained proud of his wife and children to his dying day.
