“ *To Mr Gary, Mr Tim and all of the other family....Mr. Harrison was one of my favorite patients in CHC Pharmacy. I loved to see him come in and was always eager to get to help him myself if possible. He never complained...no matter how long the wait, and he was always SO genuine in his appreciativeness. I am thankful that I knew him and will always miss him coming by to pick up his meds. Please know that my heart and prayers are with you and your family throughout the coming days, weeks and months. I love working for the Choctaw people and will continue to serve as though he is watching me. If there is ever anything that I can do to help your family through pharmacy services, please don't hesitate to call on me.*
