“ *Billy Royce and family; I am so sorry for your loss. Mrs. Helen must have been the sweetest person around based on the letters of testimonials from her many friends. I know that she married into one of the most loved families in Neshoba County. Her sister inlaw, Anita was my life long friend for more than seventy years.*

“ What a precious lady she was. I remember all those band trips she made with us in high school with never a cross word. Her kindness and tenderness had a great impact on me then and even now as I recall those memories. Prayers for Sheila and the rest of the family!

“ I am so thankful for the life of Mama Helen and the influence she had on Patsy, my sister, and Joey Thrash and especially Erin and Lauren Thrash and now their children. She must have had a tremendous love for children and patience to teach them the way to live. The whole community and those who knew her and admired her will miss her.

“ So sorry to hear about Helen . We started to school at Bloomo together. After high school we did not see each other much but remained friends and stayed in touch. I always loved receiving cards and pictures from Helen. She was always talking about Royce and their Family and all the children she has loved .

“ We will all truly miss Mama Helen. She kept us straight. She let me pretend to be daughter number three and always made feel like part of her family. A very wise lady indeed. Some of her last words to me were "I'm still the boss" and that she was but she didn't mean that in a bad way at all. Us Ocobla ladies knew what she meant any time she spoke up. She had great advise for all young brides and. She loved her church and the choir. I will be back tomorrow, where you wanted me for a while now sitting in the Ocobla choir!! Love you Mama...as I have said for the last 8 plus years now after loosing my Mom. Till we meet again in heaven.
