“ My cousin Hilda, whenever I think of you, I think of that beautiful friendly smile. I treasure memories of running around in the Government Hills, picking berries with the cousins and aunts. Lots of love and innocent times. When I saw you at the casino last year I didn't realize how things would change drastically for the family this year. I thought there is always next year...I was wrong. You will be missed, but never forgotten.

Love,
Oneda
