“ All Family members....I will pray for your loss. I have known this very sweet lady since high school. She was full of love and we often talked at the hospital gift shop when I went for various tests. I also had her many years as my teller at the bank. We last had a conversation in Ollies a few months back. She was always very happy to say hi to me. I am so sorry I just now learned of her passing as I had an out patient surgery this past week. God Bless this lady with a heart of God.
