“ *Dear Keith and Faye, I am so sorry to hear about the loss of your precious son, Jason. I know that, I and nobody else, can understand the pain and sorrow you and your family are going through. I can only say to you, that Jason knew, He was loved and cherished. You both showed him that every way you could. Everyone that knows you, could see that was true..*

“ Jason was a special young man. He was always so respectful and kind to me, even when he knew he was wrong about something he was humble and respectful. He holds a special place in my heart and I will continue to pray for you two. Know that you are loved and he knew that you loved him. Praying for God to hold you close in the coming weeks and continue to bless you for taking care of Weston.
