I remember meeting Jason for the first time when I was formally introduced by my long time wonderful friend and MSU professor Mr. Harold Essey Keys. I remember Jason having such a warm and engaging personality unlike any I have ever witnessed from any from his tribe. I had the privilege of recently running into him after not seeing him for the past 12 years. He was the same Jason as always very friendly, pleasant, and engaging. I am honored to call him my friend. You will be missed! Chi pisa lachike RIP!!

“ Jason’s grandpa and my grandma were brother and sister. He always took care of my grandma when she traveled to her homeland. One of the brightest and best of our tribe, he set an example and high standard for our people and will be sorely missed. Prayers for his parents, sisters, brother and family.
