“ Jerry I can't believe your gone. We didn't stay in touch very much but when we saw each other we wouldn't skip a beat with our conversations. It was like we just got done speaking and met up to continue. I'm going to miss you 😞

“ When Mom Addie love passed away, we had the service at the church for 2 days and she was so helpful. She made sure we had everything we needed, she didn't mind how long we were there the night before. She was loving and kind and just acted like she had all the time in the world, even if she actually did or not. She will be missed so much by so many people. My heartfelt condolences to everyone 🥺💔🥺💔🥺💔
