“ Sorry for your loss. I am praying that God will fill the void in your lives. I know it is tough to lose a parent. We have the promise that one day we will see each other again in heaven.

“ May the Lord be with and comfort the family during this time of need. I remember when I was a young man, Jerry and I went fishing in Big Black River. We knew the storm was coming, but we had to run those lines one more time. Well the storm beat us and it was bad. We got the car stuck with the boat behind it. The boat was filling up with water faster than it would drain. After an hour and a half, I had all but given up. That is when Jerry Wilcher taught me a lesson that I still carry with me to this day. He taught me to never give up. " Are you going to let a little rain beat you", he asked. He motivated me and it took another hour or so, but we got the car and the boat out. When we got home, he said "It wasn't that bad.". He taught me that with enough hard work and determination, I could overcome anything and for that, I thank him.
