“ *I'll always remember Mr. Jones for repairing my dryer for virtually free. I'd just bought my house and money was tight. I paid for the part after he came and diagnosed the problem and he charged me around \$40 to install it. That was about 20 years ago. As he was leaving, he noticed a picture I had hanging on the wall and asked me how I knew the man in the picture. I told him it was my father (Claude "Jack" Peebles, Jr. and he then began telling me such wonderful things about Daddy. Mr. Jones was a good man. I'm sure he is in Heaven. I'm sorry for his family's loss.*

“ So sorry for your loss. Mr. Jimmie was a great man. I grew up just down the road within walking distance from him and Mrs. Anna. A day didn't go by that he didn't stop in and check on my grandparents. I am so glad I had the opportunity to know him. He will be missed.
