Graveside memorial services for Mr. John Harvey Ingram will be held 2 PM Saturday, November 15, 2025, at Arlington Baptist Cemetery with the Rev. Greg Fortenberry officiating.

John Harvey Ingram went to be with his Lord and Savior at the age of 49 on Saturday October 25, 2025, in Memphis, TN after a prolonged illness. He was born to the late James Henry Ingram Sr formally of Philadelphia, MS and the late Linda S. Ingram formally of Memphis TN on February 12, 1976. John graduated from Cawdwell High School in Columbus, MS in 1994. While in High School, John was involved in ROTC. Following his graduation, he joined the labor work force. In whatever job John pursued over the years, he was always considered a hard worker and never met a stranger. He would talk with anyone who would listen to him. He was active in his Church until he was unable to after battling a massive stroke in 2015 that left him partially paralyzed. He was later placed into a rehab nursing facility where he remained until his passing. Over these last 10 years he was known to always have a smile on his face and a joke to be told. Prior to Johns stroke In Memphis, TN when he and another sibling attended a local Church, they were referred to as “the sons of thunder,” because they were always seen together but often up to no good. John was also an avid MS State fan and loved to joke about how good the “Dawgs” were. John treasured the visits from his friends and family while in the nursing rehab facility.

John is survived in death by 3 siblings brother Scott Ingram (Jessica) sister Mary Lou Bozeman (Kevin) and sister Vicky Ingram, along with 3 Nephews Jackson, Peyton, and Luke Ingram along with several close friends and extended relatives who loved him.

John is preceded in death by both his Mother Linda S. Ingram, and father James "Henry" Ingram Sr. along with his oldest sibling his brother "James" Henry Ingram Jr.

Special thanks go to his care team with The Highlands of Memphis for all they did with caring for John over the years along with his special dear friends Rodney Greener, and Rita & Matt Black who faithfully visited him; along with being special prayer warriors on his behalf.

“ We first met John (and James) close to 20 years ago, at church. The 2 tall brothers were often seen together and eventually made it to our Sunday School class. We have such great memories of the boys and called them our Boanerges (Sons of Thunder, Mark 3:17). They both loved jokes and movies and good meals, and conversations and Jesus! Through the boys, we met Mrs. Linda and even had Mr. Henry visiting class a few times. Over the years, we're glad to have met Mary Lou, Scott & Vicky. Family was very important to John and he loved telling us about his siblings - and of course, showing off pictures of Scotty's boys. After his stroke, most of our conversations were by text and sometimes a FaceTime call! He would always hold his phone up so I was often looking at the top of his head! He called me (Pam) the “leftover queen.” We would try to outdo each other with funny memes and of course, riddles and jokes! We'd keep in close touch and I'm going to miss his goofy self! I could count on him to pray for us, and particularly remember when Tim was taking care of his brother in hospice, John said he would pray. Or if Tim was sick, he'd pray. When I had cancer, he'd pray. We're so thankful to have known John and glad to think of him reunited with James and others; all full of joy, with no more pain or suffering! What a dear Lord we have, to make the way for us to live with Him forever! 🙌❤️

We send our deep condolences to you all. May the Lord bless you and keep you and make His face shine upon you and give you peace! You are in our thoughts and prayers.
