“ *Alicia, I can't begin to tell you how sorry I am for your loss. You are in my thoughts and prayers each and every day, but even more so now. I never met Joseph, but love him in my heart for loving you. You know how very special you are to me and how dear your family is to me, as well. I wish I had known before yesterday of your loss so that I could have been there for you. I pray for the strength you need to endure the pain you're feeling now. I love you and your family and admire their Faith and between the two... you will get through this. Always in my heart!!!*
